

## Agenda

### **1:20 PM– 3:00 PM – Studio 8H Program**

*During this special two-hour program, your child/children will be given the star treatment as they experience what it's like to be part of our studio production and field operations teams, including:*

#### ***Kids Rule TV***

- *Studio Production* – experience what it's like to work on a TV news production set by rotating through various production roles including stage manager, teleprompter operator, weathercaster, camera operator and anchor desk.
- *Field Operations* – pick a story line and interview other children to create a news story “out in the field.”

#### ***Get Crafty & Made-Up***

- *Make up/ Prosthetics* – choose between getting “camera ready” or get “gory” prosthetics done by NBCUniversal's own make-up team.
- *Community Service Project* – as part of Sprout's Kindness Counts Campaign, children will create cards that will be sent to Cards for Hospitalized Kids, a charitable organization that sends the handmade cards to hospitalized kids across America.
- *Design Your Own T-shirt* –decorate a t-shirt with special fabric markers and then take it home with you.
- *Photo-Op* – pose like a pop star and have your picture taken while sitting in *The Voice* chair. Photos will be housed on SmugMug and download instructions for your child's photo will be included in the goodie bag.

#### ***Puppet Production***

- Create your very own puppet production alongside puppeteers from Sprout. All the puppet productions will be filmed and available for download. Site address and download instructions will be included in the goodie bag.

#### **Lunch**

Pick up complimentary bagged lunches for you and your child/children outside of Studio 8H on the **9<sup>th</sup> Floor**. Please bring the coupons that were provided at registration.
