World of Work is the official book series for the 2019 Take Our Daughters and Sons to Work celebration. With 16 titles, one for each of the nationally recognized career clusters, this series introduces students to career opportunities across a wide spectrum of industry sectors. These books can be used to enrich workplace experiences and to spark career exploration that continues long after students go back to school.

Employers, educators, and parents can choose titles that align most closely with specific careers or use the entire collection to engage students in a broader career exploration process. Books can be ordered through the Take Our Daughters and Sons to Work website at:
